

SANTA FE

2021

A bit about us.

With Hyundai, you can really have it all.

Our company believes in pushing the boundaries and challenging conventional thinking. Our very name, “Hyundai”, stands for modernity in the Korean language and it is this one word that helps represent everything we stand for. We don’t approach vehicle development in a traditional way. Our company is structured differently. We think differently. We find the modern way. It’s our mission to offer top quality, feature-rich vehicles at an affordable price.

We offer elite quality through meticulous design and painstaking craftsmanship. Our three design centres in Korea, the U.S. and Europe compete against each other to bring you cutting-edge designs — designs that not only look stunning but are also aerodynamic and fuel efficient.

We are the only global automaker to manufacture our own Advanced High-Strength Steel because, simply put, we just weren’t satisfied with what was available.

We test our vehicles in areas like the Arctic, our proving grounds in the Mojave Desert and on Germany’s world-famous Nürburgring circuit to deliver the durability and reliability you demand. And not only do we package our vehicles with advanced safety and technology, we back all our vehicles with one of the best automotive warranties in the industry. This means you really can have it all, quality and value together.

Thinks of everyone's safety.

Discover the new Santa Fe, redesigned inside and out and equipped with an extensive suite of our available Hyundai SmartSense™ safety features. These advanced features help alert you to, and even avoid, dangers on the road by constantly monitoring your surroundings.

Now, for the first time ever, you can also enjoy the efficiency of a Hybrid powertrain that is available on select models.

The new Santa Fe helps make your drive a safer one. It thinks of everyone's safety.

Quilted Nappa leather

Available quilted Nappa leather makes the luxurious interior even more of an indulgent experience.

DEALER ePROCESS

Reimagined from every angle.

The look is modern and elegant. The feel is confident and capable.

Up front, the grille showcases a balanced design with a new T-shaped lighting signature, featuring LED headlights and LED daytime running lights. A sharp side character line runs alongside the shoulder, delivering a muscular stance seamlessly flowing into the unique LED tail light design which is connected end-to-end by a centre reflector strip. Every angle has been elegantly reimagined.

Standard LED headlights and LED daytime running lights with signature T-shaped design

Available LED tail lights

Spacious and stylish.

A new floating centre console design sets the stage for the luxury you are surrounded by. The interior of the new Santa Fe features a new shift-by-wire layout that replaces the traditional gear shifter configuration with intuitive button selection, offering a clean design and maximized storage space. The spacious cabin feels even larger when the available panoramic sunroof is wide open on a beautiful sunny day.

Ultimate Calligraphy model shown.
May not be exactly as shown.

Standard floating centre console
Available panoramic sunroof

Elevate your drive.

The new Santa Fe features an abundance of intuitive technology and comfort features to elevate your drive.

Standard heated front seats

Available heated rear seats

Available ventilated front seats

Standard leather-wrapped heated steering wheel

Available 8-way power-adjustable driver's seat with lumbar support and power thigh extension

Available dual-zone automatic climate control

Available Remote Smart Parking Assist

The Remote Smart Parking Assist system¹ allows you to remotely move the Santa Fe when you are outside of the vehicle — a very convenient feature when you have large items to load in a tight area. Simply use the key fob to move the Santa Fe forward or backwards, into or out of the parking space.

Available 12.3" full digital instrument cluster with available Blind View Monitor

Modern and sleek, the available 12.3" full digital instrument cluster gives you important information in a bright, colourful output — including a livestream of your blind spot when equipped with the available Blind View Monitor².

Available Head-Up Display

With the available Head-Up Display, you can keep your attention focused on the road with key information like your speed, the speed limit, a notification for whether there is a vehicle in either of your blind spots and navigation commands, all projected within your line of sight.

Convenience and connectivity.

Enjoy the convenience that a wide range of Santa Fe features will bring into your life. For instance, the available Smart Power Liftgate lets you load up your cargo hassle-free, while the available Surround View Monitor makes parking easier with a 360-degree aerial view of your surroundings. You can even charge your smartphone by just slotting it in the available wireless device charging area▼.

10.25" touch-screen shown.

10.25" touch-screen shown.

Standard Apple CarPlay™ and Android Auto™ with available wireless connectivity

Standard Apple CarPlay™ and Android Auto™ smartphone connectivity lets you access your favourite mobile apps — music, maps, messages and more — seamlessly and safely through voice commands and the touch-screen display. Essential, Preferred and Luxury Hybrid models feature a convenient wireless connection, no cable required.

Explore with confidence.

The new Santa Fe offers our available HTRAC™ All-Wheel Drive system. With a quick turn of the drive mode selector dial, you can easily customize the traction distribution with Intelligent Drive Modes and access Multi-terrain Control Modes for added confidence on specific types of terrain, including snow, mud and sand. Constantly monitoring multiple input signals processed over 100 times per second, the system will automatically redistribute wheel traction based on road conditions to help ensure absolute control.

HTRAC™ Intelligent Drive Modes

HTRAC™ Multi-terrain Control Modes

HTRAC™ Intelligent Drive modes:

COMFORT mode: Balanced, helps provide further driver confidence and stable control in all weather conditions

SPORT mode: Dynamic control, sends up to 50% torque to the rear wheels for even greater agility

SMART mode: Automatically shifts your drive mode to meet the demands of current driving conditions between Comfort and Sport, while maintaining fuel efficiency at all other times by sending power mainly to the front wheels. In Hybrid powertrain models, this mode is replaced with an **ECO mode** dedicated to fuel conservation.

Hyundai SmartSense™

Our suite of Hyundai SmartSense™ safety features includes a range of camera, radar and motion detection technologies to provide you with added peace of mind.

Standard features:

Forward Collision-Avoidance Assist with Pedestrian, Cyclist and Junction-Turning Detection

Lane Departure Warning with Lane Keeping Assist

Lane Following Assist

Adaptive Cruise Control with traffic stop and go

High Beam Assist

Driver Attention Warning

Rear Occupant Alert

Tire Pressure Monitoring System with individual tire indicator

Available features:

Blind-Spot Collision-Avoidance Assist

Rear Cross-Traffic Collision-Avoidance Assist

Blind View Monitor

Safe Exit Assist

Ultrasonic Rear Occupant Alert

Surround View Monitor

Parking Collision-Avoidance Assist - Reverse

Parking Distance Warning - Front and Reverse

Accessories.

Trailer hitch

Designed to meet your towing needs, a Hyundai hitch can accommodate a wide variety of hitch-mounted accessories.

Cross rails

This durable, quick-locking cross rail system lets you transport cargo easily, without sacrificing interior room.

Premium all-weather floor liners

Premium all-weather floor liners were designed to cover the interior carpet, providing maximum protection against the elements that other mats cannot offer. Remove carpet mats prior to installation.

Premium all-weather cargo tray

Protect your interior cargo area with style. This durable, custom-fit premium cargo tray protects from spills and messy loads while helping keep your cargo area looking new for years to come.

Door edge protector clear film

Clear protection film easily applies to protect from scratches and scrapes while maintaining the visual appearance of your vehicle.

Side visors

Complement your vehicle with a sleek and durable set of side visors that will help reduce glare while providing you with fresh air. Custom made for your vehicle using high quality reinforced tinted acrylic plastic, these visors will look good on your vehicle for years to come.

5 YEAR	100,000 km Comprehensive Limited Warranty [†]
5 YEAR	100,000 km Powertrain Warranty
5 YEAR	100,000 km Emission Warranty
5 YEAR	Unlimited km Roadside Assistance Program ^{††}
8 YEAR	160,000 km Hybrid System ^{†††}

One of the best-backed warranties in Canada.

You will see that a number of our vehicles have received multiple awards from the most reputable third-party organizations, so you can take their word when it comes to the quality of our vehicles. This quality is equally matched by the quality of our warranty. We stand confidently behind our products to give you ultimate peace of mind with a 5-year/100,000 kilometre Comprehensive Limited Warranty[†]. We also provide a 5-year/Unlimited kilometre Roadside Assistance Program^{††} featuring flat tire changing, lockout service and more. Just one toll-free call away, 24 hours a day.

^{™/®}The Hyundai name, logos, product names, feature names, images and slogans are trademarks owned or licensed by Hyundai Auto Canada Corp.. Specifications, features, illustrations, accessories, materials and equipment and all other information shown in this brochure are based on the latest information available at the time of publication. Although descriptions are believed to be correct, accuracy cannot be guaranteed. Hyundai Auto Canada Corp. reserves the right to make any changes or modifications at any time, without notice or obligation, including, without limitation, in colour, specifications, features, accessories, materials, equipment and models. Some vehicles are shown with optional equipment. All Hyundai warranties have no deductible. [†]Hyundai's Comprehensive Limited Warranty coverage covers most vehicle components against defects in workmanship under normal use and maintenance conditions. ^{††}Hyundai's 24-Hour Roadside Assistance Program is a limited service and does not cover certain costs or expenses. Roadside Assistance is not a warranty. ^{†††}Hybrid System includes Hybrid Battery Pack Assembly, Hybrid Starter and Generator, Hybrid Power Control Unit, Auto Transmission including Traction Motor. [‡]Apple CarPlay[™] may not be available on all devices and may not be available in all countries or regions. Visit www.apple.com for further details and any applicable limitations. Apple and Apple CarPlay are trademarks of Apple Inc.. [§]Android Auto[™] may not be available on all devices and may not be available in all countries or regions. Visit www.android.com for further details and any applicable limitations. Android and Android Auto are trademarks of Google Inc.. [¶]Vehicle is equipped with the ability to access SiriusXM radio. Does not include subscription. The SiriusXM[™] name is a trademark of SiriusXM Satellite Radio Inc.. ^{¶¶}Available on select models only. Bluelink[®] includes 3 years of service without charge. The Bluelink service is available for new vehicle purchases and leases subject to the Bluelink subscription terms and conditions. Only use Bluelink and corresponding devices when safe to do so. Cellular and GPS coverage is required. Features, specifications and fees may vary by model and are subject to change. For more on details and limitations, visit hyundaicanada.com or your authorized Hyundai dealer. ^{¶¶¶}Remote Smart Parking Assist (RSPA) can assist with parking the vehicle. RSPA may not function correctly if one or more of the parking sensors is damaged, dirty or covered or if weather conditions (heavy rain, snow or fog) interfere with sensor operation. RSPA will not assist in parallel parking and can only assist in moving the vehicle in a parking spot forwards and backwards. To operate the RSPA, the operator must be outside of the vehicle but within a range of 13 feet of the vehicle. Always inspect the parking area with your own eyes for any potential hazards, dangers or safety issues. Operator remains responsible to stop the vehicle to avoid a collision or accident. Operator is responsible for ensuring the safe operation of the feature and ensuring that the parking area is free from obstacles, pedestrians, etc. See Owner's Manual for further details and limitations. ^{¶¶¶¶}Blind View Monitor (BVM) assists the driver in changing lanes by providing a live view of the blind spots on either side of the vehicle and an audible alert if another vehicle is detected. Turn signal must be activated and other system limitations apply. Do not rely exclusively on BVM. It is the driver's responsibility to be aware of surroundings and ensure they are clear before changing lanes or directions. See Owner's Manual for more information. ^{¶¶¶¶¶}Not all devices will be compatible. See Owner's Manual for further details. harman/kardon[®] is a registered trademark of Harman International, Inc..
